

Dear _____,

I hope you have had a wonderful weekend surrounded by folks who are filled with the love of Christ. Isn't it cool how so many people have given so much time and energy just to help you feel the love of Jesus? By the time you read this it will be almost over and you will have many memories and events to process. I hope that we will get some time after the weekend so I can hear all about your special time.

OR

Hey Reggie –

We are so excited about your participation in Discovery weekend. Ever since you were a little boy we have been praying for God to do amazing things in your life. While you have been at Discovery we have been praying that God would continue to wrap his loving arms around you. You are a very special boy to us and we want you to know that we love you so much.

I remember when I went to church camp as a teenager and feeling God work in new ways in my life. I hope that your Discovery weekend has been a great chance for you to feel God working in new ways in your life. Reggie, I know that times have not always been easy for you at school and it has been tough at home too. But I hope that the weekend has been a good reminder that no matter what is going on in life, that God is never far from you.

We love you so much and can't wait to hear from you on Sunday all about your time.

Love,

Grandpa and Grandma
